

HOT WATER PRESSURE WASHER

EN/HN SERIES GAS ENGINE DRIVE

PERFECT FOR CLEANING

- Fleets
- Logging Equipment
- Tractor Trailers
- Boats of All Sizes
- Amusement Parks
- Hospitality Facilities
- Mining Equipment

WHY CHOOSE ALKOTA

There is no reason that machines need to be complicated to do their job.

Our team of engineers and product developers have been designing, building and improving high pressure cleaning systems since 1964. When you buy an **Alkota** pressure washer, you're buying quality and longevity. It is an investment in the future of your business.

At **Alkota** we believe that simplicity means quality.

Being American owned our machines are built with high quality materials the old-fashioned way, by hand. We design and assemble them right here in the heart of the USA, so that you know you're getting an American-built machine.

Available Options

Honda Engine
Stainless Steel Frame

18" Coil

Wheel Kit

GAS ENGINE EN/HN SERIES SPECIFICATION CHART

MODEL	4405ENS Stationary	4405ENL Stationary	5355ENS Stationary	5355ENL Stationary	4405HNS Stationary

* California Version

Standard Features

- Triplex, Oil Bath, Belt Driven Pump
- 12 Volt Burner
- Adjustable High Pressure Soap
- Adjustable Temperature Control
- Hour Meter
- Racor Fuel Filter
- Stainless Steel Panels and Coil Wrap
- 50 ft High Pressure Hose with QD
- Trigger Shut - off Gun with Wand
- Soft Dampening System for long life of fittings, pump and coil
- 15, 25 & 40 Degree Coded Nozzles

Available Options

- Steam Combo
- Trailer with Water Tank
- Portable Wheel Kit with Handle
- Mounting Tab Kit
- Stainless Steel Float Tank
- Stainless Steel Frame
- California Compliance (Honda Models Only)

FOR BETTER CLEANING

Clean Better with **Alkota** Biodegradable detergents specially formulated for high pressure cleaning.

All Pressure washer detergents are blended with Scal Trol to reduce scale buildup in the heating coil, pump and fittings. This improves equipment performance and minimizes replacement and repair cost.
